 Ahmedabad, Gujarat

PROFILE

Conservative dentist and endodontist (MDS, October 2026) who has treated **1,200+ patients** and performed **1,500+ root canal treatments**, from routine molars to retreatment, dental trauma and complex canal anatomy, working under magnification. Former head dentist at Sabka Dentist, Ahmedabad, and an award-winning presenter at national and state endodontic conferences.

Open to full-time consultant positions and visiting collaborations, and keen to bring specialist endodontic care to a multidisciplinary hospital team.

CLINICAL EXPERIENCE

Oct 2023 – Oct 2026 **Postgraduate Resident, Conservative Dentistry & Endodontics**

Faculty of Dental Science, Dharmsinh Desai University, Nadiad

- Diagnosis and management of pulpal and periapical disease: root canal treatment, retreatment and post-endodontic restoration.
- Advanced cases: separated-instrument bypass and retrieval, apexification, management of complex root canals, and trauma management.
- Undergraduate teaching skills, case presentations and community dental camps.

Apr 2023 – Oct 2023 **Head Dentist (full-time)**

Sabka Dentist (Total Dental Care Pvt. Ltd.), Ahmedabad

- Led daily clinical operations: examination, diagnosis, treatment planning, and restorative, endodontic, preventive and emergency care.
- Supervised associate dentists, interns and clinical staff; maintained infection control, sterilisation and clinical records.

EDUCATION

Oct 2023 – Oct 2026 **MDS, Conservative Dentistry & Endodontics**

Faculty of Dental Science, Dharmsinh Desai University (DDU), Nadiad

Sep 2017 – Oct 2022 **BDS, Bachelor of Dental Surgery · First Class**

AMC MET Dental College, Ahmedabad · Gujarat University · including rotatory internship
